GodSong Music Academy

Dear Supporter,

You know of my desire to have a ministry in Christian music and I am thankful for your prayers and support of my calling thus far. I now have the opportunity to improve my skills and to learn to be a more effective communicator and minister of the Gospel message by attending the GodSong Music Academy. I believe that the instruction I will receive from this conference will be instrumental in helping me learn to use my musical abilities more effectively and powerfully for the kingdom.

The conference will be lead by Gaither Homecoming regular, Allison Durham Speer. Allison has taught communication at music schools for several years and is now teaching musicians like me to be servants of the body of Christ.

The curriculum will cover topics such as writing segues for transitions between songs, proper use of church humor, blocking and use of equipment on the stage, using scripture to make songs more impacting, programming song sets for various time slots, proper modest dress for music ministry. Managerial seminars that include vital information such as how to record a CD, scheduling of concerts, songwriting, utilizing sound technology and other information will be taught as well in order to enhance and improve my ability to witness for Christ and bring souls into His kingdom.

The cost of the conference is \$545 for tuition; this does not include lodging, transportation, or meals. This conference will be held from Monday June 9 to Thursday June 12, 2014, in Nashville, TN.

I am asking you to make an investment into my ministry by agreeing to be a sponsor. You may make a donation for the tuition portion directly to the GodSong. Thank you in advance for your support and your belief in my ministry.

Sincerely,
